## M Series

Superior Cleaning Performance  
Effort-free Operation  
Long-lasting Reliability

Powerfully built for the toughest mess. Dependably strong for all pools. Dolphin gives you more time for family fun.

### ULTIMATE CLEANING TECHNOLOGY

There's a reason why Dolphin is the #1 selling robotic pool cleaner. Unlike competitor cleaners that use random patterns to clean the pool floor, Dolphins use CleverClean Smart Navigation to ensure complete pool coverage.

### SUSTAINABLY DESIGNED. ENERGY EFFICIENT.

The Dolphin M Series consumes an average of 5 cents of energy per hour and is 8 times more energy efficient than suction and pressure cleaners.

### BEST-IN-CLASS WARRANTY

The Dolphin M Series comes with a 3 year limited warranty covering parts and labor. The best protection of any robotic pool cleaner on the market.

## MyDolphin App

Connect your Dolphin to the cloud using your home Wi-Fi. With the MyDolphin app you can remote control your Dolphin, set up cleaning programs, check its status, get proactive care tips, and more.

## WHAT'S NEW!

### Always Connected

This Dolphin is always as close to you as your mobile phone or tablet. The MyDolphin app puts full control of your robot right in your hand - from anywhere, at any time.

## Single Button Operation

New power supply designed for one touch operation - making Dolphins easy-to-use, while saving you time.

## POWERSTREAM™ MOBILITY SYSTEM

### Better Grip for Vertical Cleaning

Our patent-pending PowerStream™ Mobility System creates a multi-directional water flow, which enables a constant grip on vertical surfaces. This not only ensures your pool walls and waterline are effectively cleaned, it improves navigation.

## CLEVERCLEAN™ TECHNOLOGY

### Precision Navigation

CleverClean™ coverage is powered by an advanced navigation systems and scanning software. This ensures that every inch of your pool - walls, floor and waterline - are cleaned using the most efficient route. So smart, the system automatically navigates around obstacles and quickly returns to its route.

*The Combination of CleverClean™ and PowerStream™ for Optimal Cleaning and Convenience.*
